# Epsilon Sigma Spotlight

Epsilon Sigma Alumni Association  
University of Central Oklahoma, Fall 2007

## The celebration continues...

Epsilon Sigma's 50th anniversary celebration culminates with Homecoming 2007. Mark your calendars for Saturday, Sept. 22, to join your alumni and undergraduate Fraters at the TKE House, 303 E. Ayers, for a noon cookout sponsored by your Alumni Association. The UCO Homecoming parade launches at 2 p.m. this year, so gather at the TKE House for lunch and watch the parade. The undergrads are building a float with one of the sororities so we need to be sure that TKE is well represented.

This year we're inviting all the parents of our undergraduate Fraters to join us. They'll be our guests at the cookout and help us cheer for their kids in the parade.

The ESAA annual meeting will begin after the parade. Parents and visitors are welcome to attend. We'll elect officers and discuss upcoming events.

### Red Carnation Ball

RCB was great and we were especially honored with the presence of two charter members, **Delmon Dennis** EΣ23 and **Clarence Drumeller** EΣ27 to help us mark the occasion. About 80 Fraters and guests were there including **Roger Pugh** EΣ238, **David Crain** EΣ244, **John Oglesby** EΣ409, Rep. **Danny Morgan** EΣ412, **Craig McVay** EΣ415, **Eddie Howell** EΣ541, **Ron Mendoza** EΣ665, and **Walter Jenny** OΦ38. Fraters **Chuck Webb** EΣ410 and **Wayne Linsenmeier** called or emailed that they were definite maybes, which is always appreciated to help in planning the headcount. Keynote speaker, Grand Cryosophylos Frater "Poppi" Edelmann was terrific and had a great time. We appreciate Walter's help in getting such a great speaker. For the second year in a row, Crabtown provided a fantastic location, delicious food and great service. Look for next year's RCB sometime in April.

### Scholarship winners

Congrats to Frater **Brandon Barnes** EΣ758 who earned the ESAA Scholarship for Spring 2007. Your dues fund the \$100 scholarship, which is awarded every Fall and Spring to the Frater with the highest semester grade point aver-

age, living in the house, and completing at least 12 hours. Way to go Brandon!

Prytanis **Jared Smith** EΣ710 received the Apollo Scholarship at Founder's Day for emulating the ideals of scholarship, leadership and service. The Apollo Scholarship is funded through contributions to each respective university with a TKE chapter. ### 2008 membership dues

If it seems like you just paid your 2007 membership dues, it's probably because you did! UCO moved homecoming up to September this year, which means the newsletter, and 2008 dues request, are going out very early. But if you pay now you'll be paid through December 2008, and it's for a good cause. Your dues pay for the ESAA scholarship, the post office box, and ESAA activities on a case-by-case basis. It's only \$25 per year so please do your part and help keep your alumni association strong!

## Fraters around the globe
